

WHITE CANE SAFETY DAY

OCTOBER 15, 2025

WHITE CANE AHEAD? STOP FOR SAFETY – IT'S THE LAW.

Whenever a pedestrian is crossing, or attempting to cross a street or highway while guided by a dog guide or carrying a white cane (or cane tipped with red), drivers must come to a complete stop before the crosswalk and take all necessary precautions to ensure the pedestrian's safety (§ 316.1301, Fla. Stat.).

White Cane Safety Day reminds drivers that pedestrians who are blind or visually impaired have the legal right of way.

THE WHITE CANE:

- Identifies the pedestrian as blind or visually impaired.
- Alerts drivers to use caution and yield the right of way.

Safety Tips

WHITE CANE SAFETY DAY

WHITE CANE AHEAD? STOP FOR SAFETY – IT'S THE LAW.

Whenever a pedestrian is crossing, or attempting to cross a street or highway while guided by a dog guide or carrying a white cane (or cane tipped with red), drivers must come to a complete stop before the crosswalk and take all necessary precautions to ensure the pedestrian's safety (§ 316.1301, Fla. Stat.).

White Cane Safety Day reminds drivers that pedestrians who are blind or visually impaired have the legal right of way.

THE WHITE CANE:

- Identifies the pedestrian as blind or visually impaired.
- Alerts drivers to use caution and yield the right of way.

Safety Tips

TIPS FOR MOTORISTS

- Yield the right of way to pedestrians with a white cane or guide dog.
- Stop completely at the stop bar, or at least five feet before the crosswalk if no stop bar is present.
- Do not block a crosswalk as it can endanger blind or visually impaired pedestrians.
- Check to ensure crosswalks are clear of pedestrians before turning.
- Avoid honking or giving verbal cues. It may confuse pedestrians who are blind or visually impaired.

PATIENCE AND AWARENESS CAN HELP SAVE LIVES.

Every safe choice brings Florida closer to its goal
of zero traffic fatalities and serious injuries.
